

FLAT FEET FLOOGIE

Skladba budiž prováděna v citění jazzovém, psané rovné osminy se proto rovnají spíše triolové hodnotě čtvrtka – osmina /tá-da dá-da/. V rychlejších tempech se však tohoto efektu dosáhneme raději prodloužením délky první osminy a zkrácením osminy druhé. Beatbox jest naznačen sporadicky pouze v úvodních taktech jednotlivých ploch, zapsané slabiky berte jako vodící nit k vynalezení nejlepšího osobního způsobu interpretace. Skladba se v případě potřeby dá transponovat až o tón výš. V případě nesrovnalostí držte se nahrávky, vznikla totiž, jak si každý dovtípí, později nežli noty, jsou v ní proto zaneseny interpretační nuance, které pouze několikerým přehráváním na pódiu a před opravdovými diváky možno naléztí jest. Nahrávka skladby je na webu www.skety.cz v sekci Hudba.

Aranžmá Petra Wajsara zvítězilo v roce 2012 v aranžérské soutěži sborového festivalu Jirkovský Písnovar. (poznámka redakce)

Petr Wajsar /1978/ je hudební skladatel pohybující se na pomezí mezi orchestrální koncertní hudbou a jazzem. Mezi jeho stálé objednavatele patří kromě Karla Dohnala i komorní orchestr Berg, smyčcové kvarteto Epoque nebo komorní orchestr Pavla Haase. Kromě hudební skladby se zabývá aranžováním, hudbou pro divadlo a film. Je skladatelem a frontmanem skupiny HI-FI /MIDI kytara, zpěv/, zpívá a aranžuje v jazzovém vokálním a-capella sextetu Skety. Kromě několika dalších ocenění je držitelem letošní ceny veřejnosti i ceny poroty ve skladatelské soutěži Nuberg 2013.
